MAGIC HAPPENS...

when we join together towards
a common vision; increasing
connections to each other and
to nature

Programs

• Building Community Resilience

The Community Exchange Network Tasmania (CENTs) project involves trading without using money connecting people interested in sustainability to one another

**WE SERVE WITH
HEART AND ARE
COMMITTED TO
BEST SOLUTIONS
FOR PEOPLE AND
PLACE**

Our Vision

contribute to a world where people and place are both thriving

Our Mission

increase social connectedness and promote other sources of health and wellbeing and build community capacity and resilience

Our Approach

we run a variety of wellbeing and community capacity building projects resourced through funding and our wonderful volunteers
